

**Independent Examiner's Report to the Trustees of  
Hereford & Worcester Scout County**

**Independent examiner's report to the trustees of Hereford & Worcester Scout County**

I report to the charity trustees on my examination of the accounts of Hereford & Worcester Scout County (the Trust) for the year ended 31st March 2026.

**Responsibilities and basis of report**

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

**Independent examiner's statement - matters of concern identified**

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination.

During the year a former trustee, in his capacity as scout leader of 5th Worcester Scout Group (a separate registered charity), stole money that had been collected to fund a trip to Canada. Whilst this charity was not directly involved in either arranging the trip to Canada or collecting monies towards this trip, the charity has provided a commitment to cover the missing funds so that young people and their families across the county are not disadvantaged.

This commitment will significantly reduce the funds of the charity. Whilst the charity has secured a loan from the Scouts Association to help pay for this commitment, there is a risk to the going concern assessment of this charity as a result of this commitment.

During the year the same former trustee made cash withdrawals from this charity totalling £14,492 to pay for out of pocket expenses during a trip to Costa Rica organised by the charity in the year. Any records kept by the former trustee as to what this money was spent on was not passed over to the charity when the former trustee resigned, and have been unable to confirm the validity of the expenditure.

During the year various trustees and volunteers of the charity were issued expense cards that allowed them to make purchases (up to set limits) without formal approval. Several of the card users have not passed over to the charity copies of purchase invoices for payments made using these expense cards.

I confirm that no other matters have come to my attention that give me cause to believe that in any material respect:

1. except for the matter of concern noted above accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I confirm that there are no other matters to which your attention should be drawn to enable a proper understanding of the accounts to be reached.

## Hereford & Worcester Scout County

### Notes to the Financial Statements for the Year Ended 31st March 2026

#### 1. STATUTORY INFORMATION

Hereford & Worcester Scout County is an unincorporated charity registered with the Charity Commission for England and Wales. The charity's principal address is 16 Northwick Close, Worcester, WR3 7EF.

#### 2. ACCOUNTING POLICIES

##### BASIS OF PREPARING THE FINANCIAL STATEMENTS

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

The accounts are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

##### GOING CONCERN

These financial statements have been prepared on a going concern basis.

Although the charity made large deficit in the year, this deficit was after exceptional item detailed in note 23 and additional depreciation on Kinver site tangible fixed assets and other costs associated with the closure of the Kinver site.

Whilst the charity's reserves have been significantly reduced following these events, the charity is expected to have sufficient cash, including the use of a £100,000 loan facility provided by The Scouts Association, to continue to meet day to day operating needs for the foreseeable future. The charity is also looking to cut administration costs in future years.

On this basis, the trustees have a reasonable expectation that the charity will be able to continue trading for the foreseeable future.

In making this assessment, the trustees have considered the level of funds held and the expected level of income and expenditure for a period not less than 12 months from the date that these financial statements have been authorised.

##### INCOME

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Income from grants and donations is recognised in the period in which the charity is entitled to receipt and the amount can be measured with reasonable certainty. Income from grants is only deferred when the charity has to fulfil conditions not yet met before becoming entitled to it or where the donor has specified that the income is to be expended in a future period.

Membership subscriptions are considered to be, in substance, donations rather than payment for services. Membership subscriptions are recognised over the subscription period on a straight-line basis.

Amounts collected by the charity as agent on behalf of The Scout Association are not accounted for as income of the charity.

Legacies are recognised when probate is granted and there is sufficient information to measure them. Where there is insufficient information to reliably measure any outstanding legacies, these are instead treated as contingent assets (and details of any such legacies will be disclosed in the notes to these financial statements).

Income relating to services provided in the course of undertaking direct charitable activities represents the value of services provided to the extent that there is a right to consideration and is recorded at the fair value of the consideration received or receivable.

Rental income is measured on a straight line basis over the period of the lease.

Investment income is recognised when the relating investments issue notice of distribution to its investors.

## Hereford & Worcester Scout County

### Notes to the Financial Statements - continued for the Year Ended 31st March 2026

#### 2. ACCOUNTING POLICIES - continued

##### EXPENDITURE

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

##### GRANTS PAYABLE

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

##### TANGIBLE FIXED ASSETS

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Freehold property - land	- not depreciated
Freehold property - buildings and static caravans	- 10% on cost
Scouting equipment	- 10% on cost

Assets costing less than £500 are not capitalised.

##### Property of the charity held by Custodian

The freehold land and buildings are held by The Scout Association Trust Corporation.

##### INVESTMENTS

Listed investments are stated at market value. Increases/(decreases) on revaluations of listed investments are transferred to/(from) the Statement of Financial Activities.

##### STOCKS

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

##### TAXATION

The charity is exempt from tax on its charitable activities.

##### FUND ACCOUNTING

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

##### PENSION COSTS

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

##### FINANCIAL INSTRUMENTS

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised when the charity becomes party to contractual provisions of the instrument.

Financial assets are offset, with the net amounts presented in the accounts where there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

##### Basic Financial Assets

Basic financial assets, which include trade and other receivables and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest.

## Hereford & Worcester Scout County

### Notes to the Financial Statements - continued for the Year Ended 31st March 2026

#### 2. ACCOUNTING POLICIES - continued

##### Basic Financial Liabilities

Basic financial liabilities, including trade and other payables, are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of future receipts, discounted at a market rate of interest. Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade payables are obligations to pay for goods or services that have been acquired in the ordinary course of the operations from suppliers. Accounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade payables are recognised initially at transaction cost.

#### 3. CRITICAL ACCOUNTING JUDGEMENTS AND KEY SOURCES OF ESTIMATION UNCERTAINTY

Accounting estimates and judgement are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

##### Critical accounting judgements - tangible fixed asset depreciation policies

Freehold property includes land which is not depreciated and buildings and static caravans which are depreciated at an annual depreciation rate of 10% on cost.

The charity first adopted FRS 102 in the year ended 31 March 2019, prior to which it prepared financial statements on the receipts and payments methodology. On first time adoption of FRS 102 the charity elected to depreciate freehold buildings and static caravans from the date of transition and did not provide for any depreciation on this sub-class of tangible fixed assets for periods prior to the date of transition to FRS 102, on the basis that the charity undertook significant annual maintenance work of the buildings and static caravans (a depreciation policy that is not consistent with FRS 102).

##### Critical accounting judgements - agency transactions re The Scout Association

The charity collects a single combined membership fee which includes an element deemed payable to the charity and an element deemed payable to The Scout Association. The element of membership income deemed payable to The Scout Association has been accounted for as an agency transaction and has been netted against gross subscription income received, rather than shown as an expense of the charity.

#### 4. DONATIONS AND LEGACIES

	2026	2025
	£	£
Donations	317	17,763
Gift aid	-	216
Gross subscriptions received (including amounts payable to The Scout Association)	319,042	280,586
Subscriptions paid over to The Scout Association	(233,708)	(206,425)
	<u>85,651</u>	<u>92,140</u>

A proportion of subscription income collected by the charity is deemed to be collected on behalf of The Scout Association. Under FRS 102 this is considered an agency transaction and is not revenue of the charity. However in the above disclosure gross receipts and element of those receipts subsequently paid over to The Scout Association have been disclosed separately in order to provide an analysis of funds received and paid by the charity as agent.

**14. TRUSTEES' REMUNERATION AND BENEFITS**

There were no trustees' remuneration or other benefits for the year ended 31st March 2026 nor for the year ended 31st March 2025.

**TRUSTEES' EXPENSES**

During the year the charity reimbursed 4 (2025 - 4) trustees expenses relating to travel costs totalling £439 (2025 - £952).

During the year the charity also advanced R Sidley (a former trustee) a total of £14,492 (2025 - £2,006) to pay overseas costs associated with arranging and attending overseas scouting trips.

**15. STAFF COSTS**

	2026	2025

**17. PRIOR YEAR ADJUSTMENT**

The comparatives have been amended to derecognise investment income relating to paper dividends issued on accumulation funds and instead treat these transactions as part of investment revaluation movements.

The comparatives have been amended to reclassify the Mary Cotterell Trust from a restricted fund to a designated fund, following a reappraisal of the conditions imposed on the charity by the donors of the monies received.

**23. PROVISIONS FOR LIABILITIES**

	2026	2025
	£	£
Provisions	<b><u>193,616</u></b>	<u>-</u>

During the year a former trustee, in his capacity as scout leader of 5th Worcester Scout Group (a separate registered charity), stole money that had been collected to fund a trip to Canada. Whilst the charity was not directly involved in either arranging the trip to Canada or collecting monies towards this trip, the charity has provided a commitment to cover the missing funds so that young people and their families are not disadvantaged. A provision for the estimated total cost of the commitment has been provided based on internal budgets prepared by the trustees.

The provision excludes a further £19,616 relating to monies collected as part of fundraising activities undertaken by 5th Worcester Scout Group that are currently subject to undergoing legal review as to whether such monies also need to be returned.

The Scout Association has provided the charity with a loan facility of £100,000 to help the charity pay for this commitment, of which £50,000 has been drawn down after the year end to the date that the financial statements have been approved.

The movement in the provisions for the year was as follows:

**PURPOSE OF INDIVIDUAL FUNDS**

**Unrestricted funds (including designated funds)**

**General fund**

The unrestricted general fund can be used for any charitable purpose within the charity's objects and approved by the Trustees.

**Kinver fund**

The Trustees have designated net proceeds from Kinver camp activities to be used to maintain and develop the County Campsite at Kinver.

**World Scout Jamboree fund**

These are funds which have been designated for the purpose of supporting members attending the next World Scout Jamboree to be held in Poland in August 2027.

**Support fund**

These are funds which have been designated for the purpose of supporting members to participate in Scouting events that they otherwise could not afford.

**Mary Cotterell Trust fund**

This fund relates to a legacy received from the will trust of the late Mary Cotterell. The executors of the will trust expressed a non-binding preference that that, as far as possible, the monies paid to the charity will be used to support services provided for the benefit of children in Herefordshire.

**TRANSFERS BETWEEN FUNDS**

During the year the Kinver designated fund was closed following a change in use of the site and the remaining fund balance, excluding the net book value of tangible fixed assets relating to the Kinver camp site, was transferred to general unrestricted funds.

The balance on all other designated funds have been transferred to general unrestricted funds in order to support the settlement of the provision detailed in note 23.

**25. RELATED PARTY DISCLOSURES**

During the year the charity received donations from trustees totalling £23 (2025 - £25).
